

REMARKS

The specification is being amended to include a paper copy of the Sequence Listing for this application.

Reference to the 371 status of the present case has also been added.

A diskette including the sequence listing in computer readable form is submitted herewith together with the required statement. No new matter is involved.

Also attached hereto is a copy of search report issued on the applicants' corresponding European application. The references cited were listed in the PCT Search Report and copies thereof submitted with the applicants' disclosure statement as filed on June 16, 2005.

Respectfully submitted,

MORGAN LEWIS & BOCKIUS LLP
